PayMyDoctor Online Payment Portal

Introducing SEI's New Online Payment Portal

Specialty Eye Institute is now able to provide our patients with more flexible payment options using PayMyDoctor.com. This site allows you two options – quick pay or to create an account using your paper statement.

Account Features

Once you create an account you can:

View statement online and make a payment

View/Print historical statements up to one year

Set up payment plans

Link accounts

Set up auto pay

Keep credit cards on file for future payments
Elect to receive paperless billing statements (saving trees and costs)
